

TROOP 615

Holiday Flag Posting Service

Boy Scout Troop 615 has been proud to perform a patriotic service by posting American flags in your neighborhood for over a decade. Your subscriptions have helped fund Summer Camp and High Adventure activities for our Boy Scouts as well as fund the general operation of the troop.

We are continuing the mail-in subscription program for our subscribers to make the renewal

process more convenient. If you have a neighbor that is interested in the program please have them contact us at the email or number below. There is no change to the subscription plan. A Troop 615 Scout will post a 3' x 5' flag on a 8' tall pole in your front yard on the morning of the five holidays listed below. The flag will be recovered in the evening of the same day.

Memorial Day, 5/27/2013

Flag Day, 6/14/2013

Independence Day, 7/4/2013

Labor Day, 9/2/2013

Presidents Day, 2/17/2014

In case of severe weather, we will post flags on an alternate holiday

To subscribe, please fill out and return the form below with your \$35 donation.

Thank you for your support of Boy Scouts. If you have any questions about our service, please contact

Robert Hester at 713-419-0131 or email 615flags@gmail.com.
